## NEW PRODUCT AT MCE 2018: HIGH EFFICIENCY GAS-FIRED HUMIDIFIER WITH ULTRA-LOW NOX

We will be unveiling the **NEW GTS® humidifier LX series** at **Mostra Convegno Expocomfort**, being held in Milan from 13-16 March. The LX series is the only gas-fired humidifier that combines the highest efficiency on the market with ultra-low NOx in a single unit. Please visit us in Hall 24, booth D01 to learn more.

You are also invited to our distributor event during MCE. Join us for a nice dinner and an introduction to the new LX series.

WHEN: 15 March

WHERE: **[Hilton Garden Inn Milan North](#)**

For more information or to register for the event, contact Christel Naenen at **[christel.naenen@dristeem.com](mailto:christel.naenen@dristeem.com)**.

## COMING SOON — NEW REPLACEMENT PARTS ONLINE SYSTEM

You will soon notice a big improvement to our Replacement Parts Online Ordering system. We have been working to integrate this system with our website to give you a seamless ordering experience that is faster and easier to use than our current system. More details on this update will be coming soon!

## CLIMATE WORLD 2018

Visit us at Climate World 2018, held from 27 February – 2 March at Expocentre in Moscow. Zsolt Turoczi from DriSteem will be at the Supervent booth.

Climate World is dedicated to the energy efficiency of building engineering systems, the problems and prospects of development of climate equipment, and the Russian climate market including the development and introduction of construction and professional standards.

For more information about the show, go to [Climate World 2018](#).

---

## ISK-SODEX ISTANBUL

Thousands of exhibitors and visitors gathered at the Tüyap Fair Convention and Congress Center in Istanbul, Turkey from 7-10 February for [ISK-SODEXM](#), the international exhibition for HVAC&R, pumps, valves, fittings, water treatment, and insulation.

It was a great show and Zsolt Turoczi was pleased to represent DriSteem at the [Havak](#) booth.

---

## HVAC R EXPO SAUDI

DriSteem's presence at the [HVACR Expo Saudi](#) was a big success. The show was held at

the Jeddah Centre for Forums and Events in Saudi Arabia from 14-16 January.

HVACR Expo Saudi is a focused event, offering products, training and education solutions for the entire Saudi HVACR industry. With multi-billion dollar developments and mega projects there is proven demand for HVACR products, services, and technologies.
